

Google Play Privacy Policy

Drop Zone Galaxy is a mobile game developed and published by Rabble Games Studio. This Privacy Policy explains how we collect, use, and share your information when you play our game.

Information We Collect

We may collect the following information when you play our game:

- Your device name and operating system
- Your IP address
- Your game progress
- Your in-game purchases
- Your interactions with other players

How We Use Your Information

We use your information to provide and improve our game. For example, we use your device information to ensure that the game is compatible with your device and to troubleshoot any problems you may be having. We use your game progress to track your progress and to provide you with rewards. We use your in-game purchases to process your payments and to provide you with the items you purchased. We use your interactions with other players to provide you with a more social and interactive gaming experience.

How We Share Your Information

We do not share your information with any third parties without your consent. However, we may share your information with third parties in the following limited circumstances:

- To comply with a legal requirement or subpoena
- To investigate or prevent fraud or other illegal activity
- To protect the safety of our users or the public
- To provide you with customer support

Your Choices

You have the following choices regarding your information:

- You can choose not to provide us with any information. However, if you do not provide us with certain information, you may not be able to play our game or use all of its features.
- You can choose to delete your account. To delete your account, please contact us at robert@rabblegamesstudio.com.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. If we make any changes, we will post the updated Privacy Policy on our website and in our game. We encourage you to review this Privacy Policy periodically to stay informed of how we are protecting your information.
